

Trainers Network

A RESOURCE FOR FACILITATORS OF LEARNING

WHO WE ARE

Trainers Network provides a forum for trainers to share learning and experience in relation to best professional practice, recent innovations, quality standards and continuing professional development in personal and business development.

Trainers Network is an umbrella organisation for trainers from public, private and community sectors and is a not for profit legal entity incorporated in 2002.

MISSION

Our mission is to help individuals, businesses and organisations unlock their true potential in consultation with like-minded trainers.

Trainers Network have researched and developed – ‘World Class Core Competencies for Trainers’

- *Every member gets a copy of the Core Competencies for Trainers Framework*
- *It provides a personal/professional development path for Trainers*
- *It is a practical framework for recruiting and developing your Training Team*
- *Pathway to achieving ISO recognition*
